

CONGREGATION B'NAI ISRAEL

Catskill Shabbat

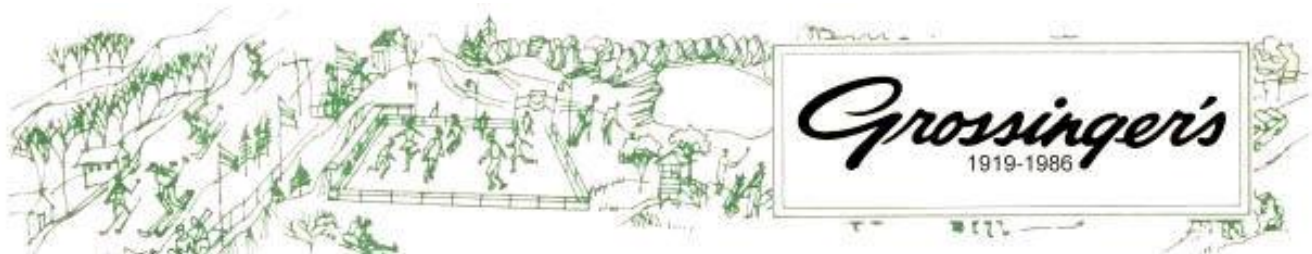

Friday, February 1, 2013, 7:30 pm

"Someone stole my credit cards, but I won't be reporting it - the thief spends less than my wife did!"

"The Doctor called Mrs. Cohen to say, 'Mrs. Cohen, your check came back!' Mrs. Cohen replied, 'So did my arthritis!'"

"Patient: 'I have a ringing in my ears!' Doctor: 'Don't answer!'"

Anyone who ever spent a weekend at resort in the Catskill Mountains remembers those one-liners, and, on Friday, February 1, at 7:30 pm, Congregation B'nai Israel is having a casual "Catskill Shabbat" to chase away the winter blues. Those in attendance will enjoy the warmth of community and Shabbat as Rabbi Debra Orenstein and Cantor Lenny Mandel share memories, history, and humor of the heyday of the summers of years ago in the "Borscht Belt" in the Catskill Mountains. As usual, our Casual Shabbat services are open to the public, so C'MON DOWN!!
