

CONGREGATION B'NAI ISRAEL

Come And Be Our Guest

Help Us Celebrate

Join Us At Our Seder

That Would Be So Great!

It has become a tradition at Congregation B'nai Israel to invite or be invited to members' Seders where we can celebrate together. Some of our members may have relatively small families or families that are not close by and may welcome the extra company to make the occasion even more festive. Some members might like to join a Seder with others but may feel awkward asking to be invited on their own. Congregation B'nai Israel is helping make the connections to make the Seders even more special.

This year the Passover Seders are Friday evening, April 22, and Saturday evening, April 23.

If you would like to have some extra guests at your table this Seder, first and/or second night:

1. How many people can you accommodate? _____
2. Which night? _____
3. Do you keep any form of kosher in your home? If so, please describe.

4. Do you eliminate or sell Chumetz (bread products) during Passover? _____
5. Do you have any pets? If so what kind? _____
6. Will you have any children at the Seder? If so, what ages? _____

If you would like to honor a family by being their guest:

1. How many people will be attending? _____
2. Do you require any particular form of kashrut in the home you will be visiting? If so, please describe. _____
3. Do you have any allergies to foods or pets? Please describe. _____
4. Will you be bringing any children to the Seder? What are their ages? _____

Anyone who wishes to enhance their Seder can request a copy of "Do Try This At Home: Ideas for Your Passover Seder" from the CBI office.
