A SHABBAT EXPERIENCE

THE HANUKAH / ROSH HODESH CONNECTION

Rosh Hodesh Tevet, Shabbat morning, December 8th

10:00 AM- 11:40 service, followed by a light luncheon

Shabbat Hanukah is one of the richest, most joyous times of the year!

Every year, Hanukah begins on the 25th of Kislev and ends on the 2nd of Tevet, so it's the only Jewish holiday that spans 2 Jewish months and includes a Rosh Hodesh! The Talmud states, "Women are obligated in the lighting of the Hanukah candles, since they were also involved in the miracle". What women?

Which miracle? Rabbi Debra will speak on the connection among women, Hanukah, Rosh Hodesh, and miracles. Congregants will speak about Jewish women who have brought miracles and light to the world. We will weave the themes of light and miracles into our prayers and Torah discussion.

Join Sisterhood, Rabbi Debra, and the men, women, and children of the CBI community, as we celebrate the New Moon, the New Month, the Festival of our Freedom, our Day of Rest, and Hanukah!
