

Yom HaShoah Program

Holocaust Remembrance Day

Sunday, April 27th at 7:00pm

Guest Speaker:

Hanna Wechsler

“A Survivor with a Mission”

Hanna Wechsler, who has been teaching Holocaust Studies in our Hebrew School for over 30 years, will share her personal story as a Holocaust survivor.

If you've never heard Hanna share her recollections and her passion for actions we must take today (or if you have been fortunate to hear her previously)
YOU MUST ATTEND.

This inspirational program will also include CBI's annual candle-lighting ceremony to remember the 6 million Jews who perished and to recognize our generation that rose from the ashes.

Together, let's remember – and say, “Never again.”

The program is open to the public.
Please invite your family and friends and gather for a remarkable, moving, and memorable evening.
